Subject: CZARA meeting with Dennis to be rescheduled

Hi Dave, Jayne, Alan, and JB (cc: Christine),

I just talked with Christine (and Dave) about the meeting that had been scheduled with Dennis for next Wednesday, April 8. We'd all like Dave to be at the meeting, so since he's out of town next week, we're going to reschedule the meeting for when we're all here- maybe after the BOF meeting on April 22.

Also, just FYI, I got more information from Christine on what she thought the meeting would be about. Essentially, Dennis has indicated that he is the main negotiator with the State on CZARA, but needless to say, how that works, what he needs from us, what we need from him, and how that all comes together as we get more into the details, gets tougher. So it's an opportunity for us to flesh out our roles and how we'll be working together in the coming months. That already may become clearer with the draft gaps document having been sent to Oregon earlier this week, but Christine thought and I agreed that it would be worth keeping the meeting with Dennis.

We can all talk more about this in the coming weeks, but just wanted to let you know that the meeting is getting delayed.
